LAKE COUNTY BRANCH, AAUW

THE PRESIDENT'S CORNER

Welcome back after a hot (but good, I hope) summer. Thank heavens for central air.

I am still overwhelmed at being honored by the Branch at the May meeting-- the nice things you said, having my name included in the named list for the \$500 donation to the EFP fund, and the plaque you presented to me. I am proudly displaying it on a wall in my sewing room. A sincere thank you to the board members and others who were involved in this. I truly enjoy every moment of my involvement with the Lake County Branch. I am very optimistic that this coming year is going to be a great year, since it is obvious that there are many of you out there who also wish to get involved in the work of our Branch. Let's make this the best year ever!

Marion Dexheimer

Administrative Ass't:	Helen DiYeso	- 589-5969
Newsletter Editor:	Helen Trudell	- 742-0573
Publicity:	Betty Taylor	- 326-5549
Historian:	Beryl Sutton	1- 748-4564

Due to health problems, our program co-vice presidents have found it necessary to step down; so presently your board members are working on the programs for the year. As of now, we are planning a program on the environment, and will meet at the Char House in Leesburg on Saturday, October 7. By the October meeting, we hope to have the up-to-date membership lists and the listing of programs for the year.

INTEREST GROUPS

All three of the interest groups will reconvene in October. The bridge marathon group will start the year in late October; the gourmet cooking group on Monday, October 9th, and the literary group on Monday, October 16th. If any of you would like to see other interest groups started, let us know.

Some progress has been made to start a satellite group for those younger women who are not interested in Saturday meetings, and also, persons who are unable to attend Saturday meetings. More on this later.
